

EU MBA

STUDENT PROFILE

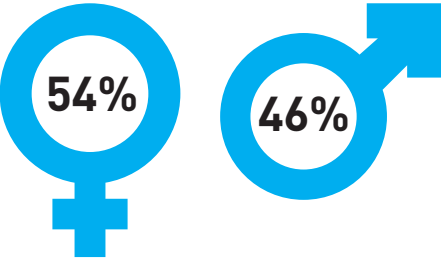

After over 25 years in the finance world, Marianne considers that her EU MBA had a strong impact on her successful career: "It was very hard work combining the MBA with my job, I had to cut back my social life and everything, but I never regretted it because was a real door opener."

Marianne von Anacker | Switzerland
MBA | HR Director, Nestlé

"The global networking opportunities and the international environment at EU taught me to work efficiently with people from around the world. The pace of today's global economy is evolving, and there is a need for more versatility from the world's business schools and, subsequently, its leaders."

Pedro Brehm | Portugal
MBA & DBA | CEO, Prébuild Distribución
